RODIM®

A brand of BASF - We create chemistry

RODIM® – By professionals for professionals

The ultimate paint-related product portfolio

Quality in your hands.

RODIM® – a BASF brand.

About us:
Our aim is to turn knowledge into innovative solutions. Being a part of BASF's Coatings Division, RODIM profits from 130 years of experience in the paint industry. We build our portfolio based on this experience to meet highest demands.

Our focus is on high performance and process-efficiency to make daily work easy and efficent. RODIM is the missing piece of the puzzle that fits perfectly in your painting process.

What you can expect:

- Lean and customized product portfolio
- Paint and paint related products as a one-stop-shop solution
- Perfect fit to our paint products
- All products have gone through a selection procedure and meet the highest customer demands
- Comepetent advice and local service

Protection

Safety first – but protection and a comfortable fit do not have to be mutually exclusive. RODIM offers a choice between standard and premium accessories for personal protection, so that you are fully protected.

Preparation

Good preparation is the name of the game for perfect refinishing results. To optimally prepare the damaged area for the refinishing process, we offer our RODIM product range of putties, hardeners and putty accessories as the ideal equipment for professionals.

Masking

Meticulous masking and taping are peresquites for good results. RODIM supports you with best-in-class films and masking tapes for all vehicle parts. This is how you can save time and money.

Sanding

Sanding is the key to a perfect finish. To meet the high expectations of our customers, we offer a wide selection of different product qualities in recommended grit sizes.

Mixing & painting

Our Mixing & painting products are selected for the benefit of the painter. The best example is our series of RODIM MPS systems. This 2-in-1-solution turns a mixing cup into an intelligent paint application system that helps you save time and material.

RODIM

Protection

Protection for profes-sionals!

Safety first – but protection and a comfortable fit do not have to be mutually exclusive. RODIM offers a choice between standard and premium accessories for personal protection, so that you are fully protected.

Painting Gloves – Premium (black)

Art. No.	RODIM-Code	Name	Purchase Unit
45182200	**ROD-102201**	**Premium Nitrile Gloves M**	1 Piece (60 Gloves)
45182172	**ROD-102202**	**Premium Nitrile Gloves L**	1 Piece (60 Gloves)
45182209	**ROD-102203**	**Premium Nitrile Gloves XL**	1 Piece (60 Gloves)

Durable, flexible and high tensile strength.

- Protects hands and wrists (285 mm)
- Roughened surface for better grip
- Powder-, silicone- and latex-free to prevent skin irritation
- Especially well-suited for working with paints and solvents
- Disposable, CE 0321 label
- Durable and tear-resistant

Painting Gloves (blue)

Art. No.	RODIM-Code	Name	Purchase Unit
45182297	**ROD-102101**	**Nitrile Gloves M**	1 Piece (100 Gloves)
45182368	**ROD-102102**	**Nitrile Gloves L**	1 Piece (100 Gloves)
45182334	**ROD-102103**	**Nitrile Gloves XL**	1 Piece (100 Gloves)

- Roughened surface for better grip
- Powder-, silicone- and latex-free to prevent skin irritation
- Especially well-suited for working with paints and solvents
- Disposable, CE 0321 label

Safety Glasses

Art. No.	RODIM-Code	Name	Purchase Unit
45210926	**ROD-103101**	**Safety Glasses**	1 Piece

- DIN EN 166 safety specifications for eye protection
- Also suitable for people who wear prescription glasses
- Adjustable temples
- Clear polycarbonate lenses for optimizing vision
- Sporty design, color: blue

Painting Overall – Premium

Art. No.	RODIM-Code	Name	Purchase Unit
45176778	**ROD-101201**	**Premium Overall, Size: S**	1 Piece
45176779	**ROD-101202**	**Premium Overall, Size: M**	1 Piece
45139176	**ROD-101203**	**Premium Overall, Size: L**	1 Piece
45139177	**ROD-101204**	**Premium Overall, Size: XL**	1 Piece
45176780	**ROD-101205**	**Premium Overall, Size: XXL**	1 Piece

The overall is made from lint-free polyester filament fabric.
Great care was devoted to the details to provide a pleasant and comfortable fit.

- Bound seams (extremely leak-proof, stable and lint-free)
- Numerous pockets (inside and outside, also kneepad pockets)
- Breathable, pleasant fit
- Antistatic, silicone-free, can be washed and ironed
- Color: Silver gray/light gray

1. Flame-retardant in accordance with EN ISO14116:2008 Index 1 (formerly EN 533)
2. Antistatic in accordance with EN 1149-1 (electrostatic properties)

NEW

Detachable Hoods – Premium

Art. No.	RODIM-Code	Name	Purchase Unit
45220205	**ROD-101302**	**Detachable Hoods S-M**	1 Piece
45220206	**ROD-101303**	**Detachable Hoods L-XXL**	1 Piece
45220227	**ROD-101304**	**Detachable Hoods XXXL**	1 Piece

- Detachable hoods are especially designed for our Premium Overalls
- Easy attachment to the overall
- Effective protection for hair and skin
- Available in different sizes

Painting Overall

Knee Pads for Overall

Art. No.	RODIM-Code	Name	Purchase Unit
45220211	**ROD-101301**	**Knee Pads for Overall (set of 2)**	1 Piece

- Designed for our RODIM premium and standard overall
- Easy to put into the knee pockets of the overall
- For best protection of the knees while work process

RODIM

Preparation

Putty work made easy

Good preparation is the name of the game for perfect refinishing results. To optimally prepare the damaged area for the refinishing process, we offer our RODIM product range of putties, hardeners and putty accessories as the ideal equipment for professionals.

Mixing Board

Art. No.	RODIM-Code	Name	Purchase Unit
45212813	**ROD-201101**	**Mixing Board**	1 Piece

- Putty mixing board with 100 sheets of special paper
- Provides you with a clean surface for mixing putty at all times
- Reduces cleaning effort: Just tear off and discard after use

Putty Knives

Art. No.	RODIM-Code	Name	Purchase Unit
45210874	**ROD-202101**	**Putty Knives (set of 4)**	1 Piece

- Highly flexible putty knife with premium-class steel grip handle for applying putty
- 4 putty knife sizes per set

Putty Dosing Device

Art. No.	RODIM-Code	Name	Purchase Unit
45152384	**ROD-203101**	**Putty Dispenser for 2.9-kg cartridges – orbital, manual**	1 Piece
45152386	**ROD-203102**	**Putty Dispenser for 2.9-kg cartridges – centric, manual**	1 Piece

- Manually operated putty dosing device for 2.9-kg cartridges
- Mobile device; can also be mounted on a wall
- Exact dosing of putty and hardener for preventing incorrect dosing
- The quantity of hardener to be added is adjustable

45152381	**ROD-203201**	**Putty Dispenser for 9.7-kg cartridges – orbital, pneumatic**	1 Piece
45179432	**ROD-203202**	**Putty Dispenser for 9.7-kg cartridges – centric, pneumatic**	1 Piece

- Pneumatically operated putty dosing device for 9.7-kg cartridges
- Robust, stationary device for wall mounting
- Exact dosing of putty and hardener with highly convenient dispensing
- Defined quantity of hardener to be added prevents incorrect dosing

Putty, including BPO Hardener Paste

Art. No.	RODIM-Code	Name	Purchase Unit
50349207	**ROD-204101**	**Universal Putty, 2-kg can, incl. 40 g BPO Hardener Paste**	1 Piece
50349295	**ROD-204102**	**Universal Putty, 2.9-kg cartridge – centric, incl. 55 g BPO Hardener Paste**	1 Piece
50349218	**ROD-204103**	**Universal Putty, 9.7-kg cartridge – centric, incl. 160 g BPO Hardener Paste**	1 Piece
50349401	**ROD-204104**	**Universal Putty, 2.9-kg cartridge – orbital, incl. 55 g BPO Hardener Paste**	1 Piece
50349408	**ROD-204105**	**Universal Putty, 9.7-kg cartridge – orbital, incl. 160 g BPO Hardener Paste**	1 Piece

- Polyester putty that adheres to a variety of substrates, color: beige
- Adhesion on galvanized steel, aluminum, steel and tin-plated surfaces
- High build, simple and pore-free filling and easy sandability
- Field of use: Universally suitable as a stopper or fine putty

50349303	**ROD-204201**	**Soft Putty, 2-kg can, incl. 40 g BPO Hardener Paste**	1 Piece

- Polyester putty that adheres to a variety of substrates, color: gray
- Adhesion on galvanized steel, aluminum, steel and tin-plated surfaces
- High build, simple and pore-free filling and finely sanded surface
- Field of use: Stopper or fine putty

50413791	**ROD-204301**	**Fine Putty 2-kg can, incl. 40 g BPO Hardener Paste**	1 Piece

- 2K-polyester putty specially developed for spray painters, meets the highest quality standards, color: white
- High quality standard, very good sandability, suitable only for steel substrates, unsuitable for zinc and aluminum substrates
- Field of use: As a stopper or basic putty for filling pores, but also for repairing small scratches or paint defects

50349384	**ROD-204401**	**Glassfiber Putty 1.8-kg can, incl. 40 g BPO Hardener Paste**	1 Piece

- Refinement of the fibre putty, color: green
- Improved sandability, smoother and more even filling, high build, adheres to metallic substrates, suitable for repairing small rust spots, for steel substrates only
- Field of use: For filling deep surface irregularities and dents on bodies of cars, trucks, buses and railway vehicles

50350556	**ROD-204501**	**Metal Putty, 0.9-kg can, incl. 30 g BPO Hardener Paste**	1 Piece

- Special stopper and knifing putty containing aluminum particles, color: gray
- Very hard surface, suitable for tin, multipurpose repair putty, dampens vibrations, high heat resistance, resistant to specific oils, acids, suited for special and extraordinary repairs, for steel substrates only
- Field of use: For filling car body edges and fender seams (classic cars), leveling and filling PU- (polyurethane) bonded body sheets when this is not possible with standard polyester putties (sinkage/shrinkage), filling deeper irregularities at inaccessible areas where tin-plating is not possible, repairing rust spots at the filler neck, door edges and sill panels

BPO Hardener Paste

Art. No.	RODIM-Code	Name	Purchase Unit
53051823	**ROD-205101**	**BPO Hardener Paste for Putty in a 2.9-kg cartridge 55 g**	1 Piece
50156339	**ROD-205102**	**BPO Hardener Paste for Putty in a 9.7-kg cartridge 160 g**	1 Piece
53051717	**ROD-205103**	**BPO Hardener Paste 40 g**	1 Piece

- Benzoyl peroxide hardener in various container sizes, color: red
- Suitable for nearly all polyester putties based on unsaturated polyester

Pump Can

Art. No.	RODIM-Code	Name	Purchase Unit
45211362	**ROD-206101**	**Pump Can**	1 Piece

NEW

Easy distinction and identification of fluids thanks to color coding system.

- Helps to maintain a clean and ordered workplace

RODIM
SMARTMASK
RODI

Masking

Put on the mask!

Meticulous masking and taping are peresquites for good results. RODIM supports you with best-in-class films and masking tapes for all vehicle parts. This is how you can save time and money.

Did you know?

- **One step** to cover the whole vehicle with our masking films
- **Save time, material and money** as no adhesive masking tape is needed
- **Higher tear-resistance** than masking paper
- We offer **intelligent solutions** like our sensor covers, interior masking protection and wheel protection masking system

Sensor Covers

Art. No.	RODIM-Code	Name	Purchase Unit
45210924	**ROD-301101**	**Sensor Covers**	1 Piece (500 Sensor Covers)

- Cover for parking sensors / Parking sensors do not have to be removed
- Can be attached quickly and easily, can be painted and sanded over
- Suitable for most modern parking sensors

Masking Tape

Art. No.	RODIM-Code	Name	Purchase Unit
45183404	**ROD-302101**	**Masking Tape 19 mm x 50 m**	48 Pieces
45183491	**ROD-302102**	**Masking Tape 25 mm x 50 m**	36 Pieces
45183492	**ROD-302103**	**Masking Tape 38 mm x 50 m**	24 Pieces
45183493	**ROD-302104**	**Masking Tape 50 mm x 50 m**	24 Pieces

- Excellent adhesion even on uneven substrates, no adhesive residues
- Heatproof up to 100° C (for up to 30 min.), solvent resistant

45210930	**ROD-302201**	**Lifting Tape perforated 10 mm x 10 m**	1 Piece

- Special masking tape for difficult masking jobs, such as on car window seals or sunroof seals
- For closing gaps between body parts
- Masking tape is protected by a peel-off protective film, does not leave behind adhesive residues when removed

Soft Foam Tape

Art. No.	RODIM-Code	Name	Purchase Unit
45187170	**ROD-303101**	**Soft Foam Tape 19 mm x 35 m**	1 Piece
45183319	**ROD-303102**	**Soft Foam Tape 13 mm x 50 m**	1 Piece

- Easy to attach to the body, perfectly protects the interior from paint particles
- No adhesive residues
- Heatproof
- More volume for more surface protection

NEW

Magnetic Foil Knife

Art. No.	RODIM-Code	Name	Purchase Unit
45220844	**ROD-304201**	**Magnetic Foil Knife**	5 Pieces

- Easy and fast cutting
- Coated surface for better results
- Magnetic back for easy attachment to metallic surfaces

Masking Film

Art. No.	RODIM-Code	Name	Purchase Unit
45128863	**ROD-305301**	**Eco Masking Film 4 x 300 m**	1 Piece

The affordable alternative!

- Transparent polyethylene, absorbs overspray, clings in place

Please note: The vehicle must be dry before it is masked!

45219030	**ROD-305302**	**Masking Film 4 x 200 m HDPE**	1 Piece

- White polyethylene
- Does not absorb overspray
- Clings in place

Please note: The vehicle must be dry before it is masked!

45128992	**ROD-305303**	**Masking Film 6 x 150 m 11 µm**	1 Piece

The affordable alternative!

- Transparent polyethylene, absorbs overspray, clings in place

Please note: The vehicle must be dry before it is masked!

NEW 45220952	**ROD-305401**	**Comfort Masking Film 4 x 150 m**	1 Piece
NEW 45220953	**ROD-305402**	**Comfort Masking Film 5 x 120 m**	1 Piece

- Environmentally-friendly recycable polythenemixtures
- Blue-transparent colour
- No stains on damp cars
- Smooth to cut
- Heat resistant up to 110°

45197734	**ROD-305501**	**Smartmasking Plus Film 4 x 150 m**	1 Piece
45197808	**ROD-305502**	**Smartmasking Plus Film 6 x 100 m**	1 Piece

- White polyethylene, absorbs overspray, clings in place
- No spotting from residual moisture on vehicle
- Excellent cutting properties
- Tape can be repositioned

45122992	**ROD-305101**	**Interior Masking 4 in 1**	1 Piece

Integral 4-in-1 “RODIM”. Combines four elements in one set:

- Suitable for all seat sizes (880 x 1,500 mm)
- Non-slip integral floor mat – firmly attached to the seat protector
- Extra large (510 x 700 mm), 200 sets per roll
- Gearshift protector and parking brake protector – universal use

45129155	**ROD-305202**	**Wheel Protection Masking**	1 Piece

- White polyethylene, absorbs overspray
- 1,300 x 1,300 mm, 80 pieces per roll
- Suitable for all common car rims
- No need to dismount the tire from the rim

Masking Film Dispenser

Art. No.	RODIM-Code	Name	Purchase Unit
45130436	**ROD-304101**	**Masking Film Dispenser for Rolls**	1 Piece

- Portable dispenser, painted blue, partially assembled
- The practical dispensing aid for rolls of painting film
- Allows working at an ergonomic height

45225671	**ROD-304102**	**Masking Film Dispenser for Boxes**	1 Piece

- Portable dispenser, partially assembled
- Especially geared for masking films in dispenser boxes
- Allows working at an ergonomic height

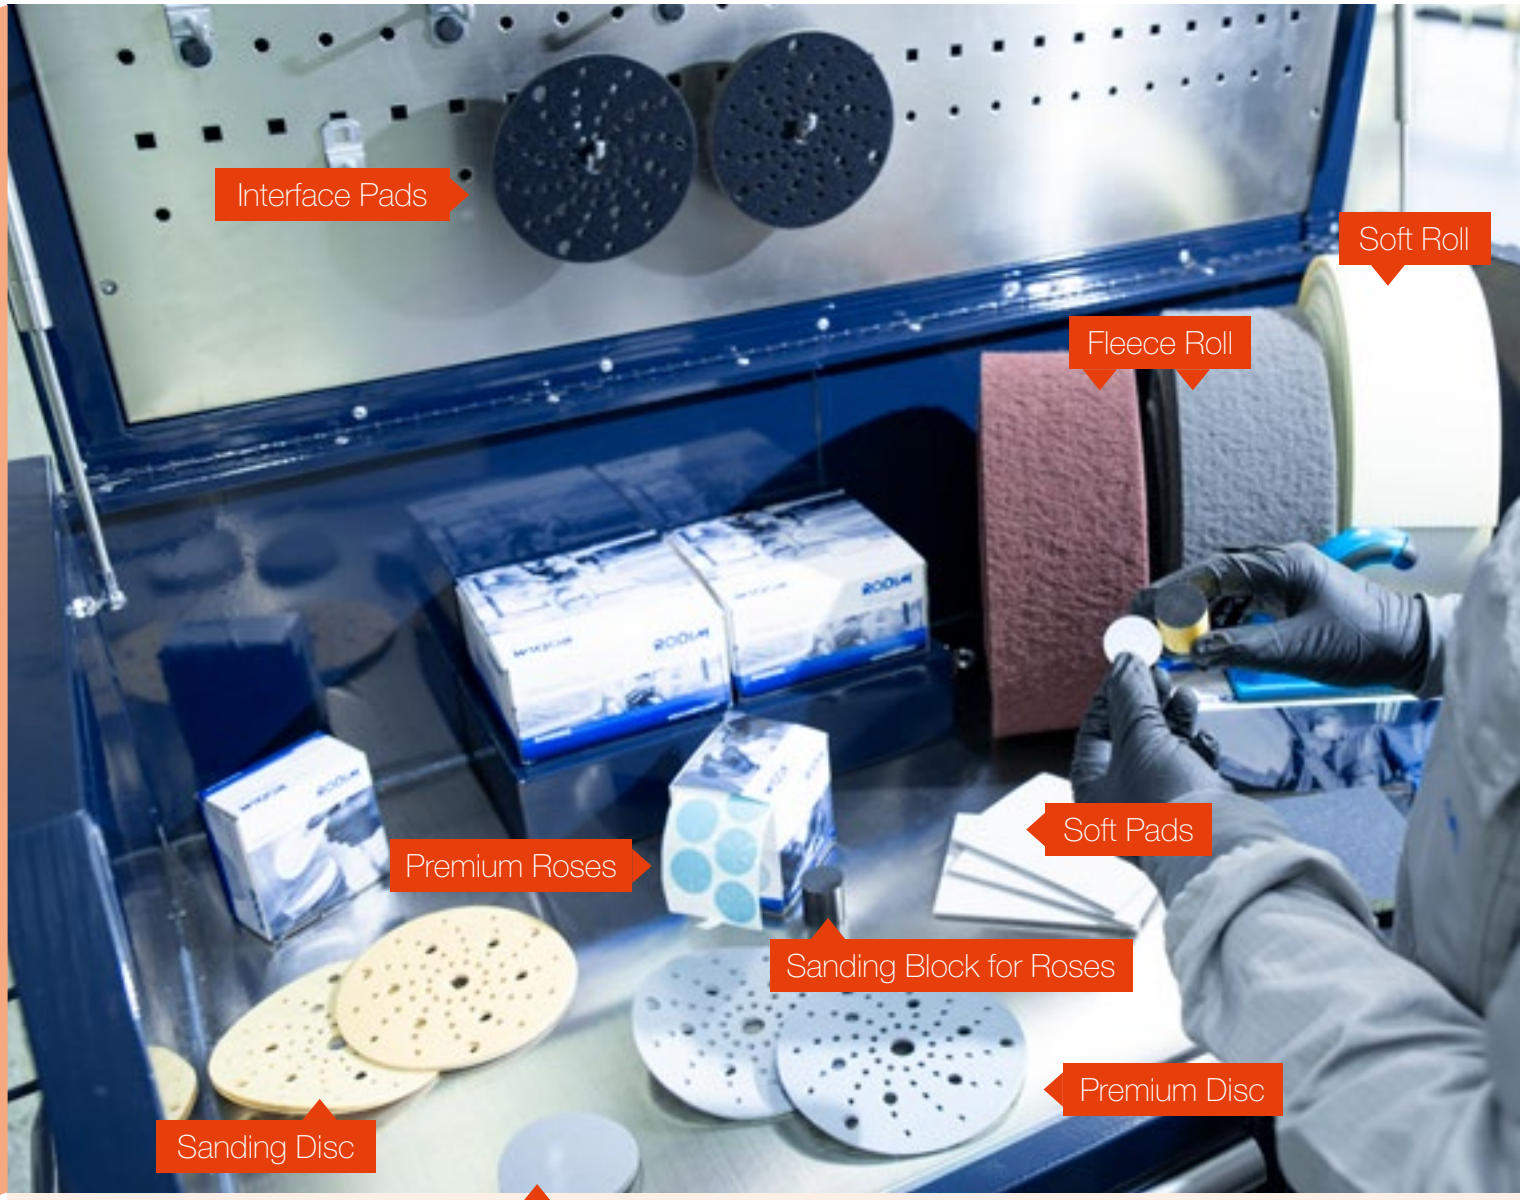
Sanding NEW

Fun with sanding!

Sanding is the key to a perfect finish. To meet the high expectations of our customers, we offer a wide selection of different product qualities in recommended grit sizes.



Sanding Disc Ø 150 mm – Premium

- Outstanding sanding results due to optimized granulate technology for each grit
- Balanced abrasive power ensures easy handling
- Spiral hole layout achieves ideal dust extraction
- High heat endurance
- Increased process efficiency thanks to long lifetime
- Easy and safe handling due to excellent adhesion to back-up pad

Soft Roll

Art. No.	RODIM-Code	Name	Purchase Unit
45225073	**ROD-405101**	**Soft Roll P240 115 mm x 25 m**	1 Piece
45225074	**ROD-405102**	**Soft Roll P320 115 mm x 25 m**	1 Piece
45225075	**ROD-405103**	**Soft Roll P400 115 mm x 25 m**	1 Piece
45225076	**ROD-405104**	**Soft Roll P500 115 mm x 25 m**	1 Piece
45225077	**ROD-405105**	**Soft Roll P600 115 mm x 25 m**	1 Piece
45225078	**ROD-405106**	**Soft Roll P800 115 mm x 25 m**	1 Piece
45225079	**ROD-405107**	**Soft Roll P1000 115 mm x 25 m**	1 Piece

- Soft Roll in a functional dispenser box, which protects against dust and dirt
- Perforated roll for easy tear-off
- Ideally suited for curves and difficult-to-reach places

Soft Sanding Pad

Art. No.	RODIM-Code	Name	Purchase Unit
45225085	**ROD-408101**	**Soft Pad Fine 115 x 140 mm**	1 Piece (20 Pads)
45225086	**ROD-408102**	**Soft Pad Super Fine 115 x 140 mm**	1 Piece (20 Pads)
45225087	**ROD-408103**	**Soft Pad Ultra Fine 115 x 140 mm**	1 Piece (20 Pads)

- Ideal for hard-to-reach edges
- Long-lasting material
- Suitable for dry and wet sanding

Sanding Fleece

Art. No.	RODIM-Code	Name	Purchase Unit
45225080	**ROD-406101**	**Fleece Roll Very Fine 115 mm x 10 m P360**	1 Piece
45225081	**ROD-406102**	**Fleece Roll Ultra Fine 115 mm x 10 m P1500**	1 Piece

- Three-dimensional fibre sanding material
- Flexible and ideal for curved surfaces
- Perfect for matting of surfaces
- Creates an excellent base for the next lacquer layer

Did you know?

- We offer a **complete sanding portfolio** adjusted to the sanding process
- Our abrasive portfolio offers **advanced abrasion** due to **controlled aggressiveness**
- Optimal **dust extraction** guaranteed by the spiral design of our multihole discs
- A **perfect finish** ensured by a homogeneous surface roughness
- **Extended product lifetime** based on an optimized bonding technology

Sanding Sponge

Art. No.	RODIM-Code	Name	Purchase Unit
45225012	**ROD-409101**	**Sponge Fine 120 x 98 x 13 mm**	1 Piece (10 Sponges)
45225013	**ROD-409102**	**Sponge Super Fine 120 x 98 x 13 mm**	1 Piece (10 Sponges)
45225014	**ROD-409103**	**Sponge Ultra Fine 120 x 98 x 13 mm**	1 Piece (10 Sponges)

- Sponge with abrasive material on both sides
- Ideal for sanding contours by hand

Sanding Roses – Premium

Art. No.	RODIM-Code	Name	Purchase Unit
45225082	**ROD-407101**	**Premium Roses Ø 32 mm 1000**	1 Piece (200 Roses)
45225083	**ROD-407102**	**Premium Roses Ø 32 mm 2000**	1 Piece (200 Roses)
45225084	**ROD-407103**	**Premium Roses Ø 32 mm 3000**	1 Piece (200 Roses)

- Self-adhesive sanding roses for small repairs and corrections
- Removal of dust particles in top- and clear coats
- High precision
- The polyester foil backing supports an excellent finish
- Applicable for both machine and hand sanding

Equipment

Art. No.	RODIM-Code	Name	Purchase Unit
45225053	**ROD-401401**	**Back-Up Pad Ø 150 mm Medium**	1 Piece
45225054	**ROD-401402**	**Back-Up Pad Ø 150 mm Soft**	1 Piece
45227637	**ROD-401405**	**Fittings for Back-Up Pad (RUPES)**	1 Piece

- Very good dust extraction
- Compatible with 6 and 7 hole standard extraction systems as well as with 7-8-9-15-21 systems for the 7 standard holes
- Supplied with complete range of accessories

45190472	**ROD-401403**	**Interface Pad Ø 150 mm 5 mm**	1 Piece
45187795	**ROD-401404**	**Interface Pad Ø 150 mm 10 mm**	1 Piece

- Excellent adhesion to back-up pad ensures good dust extraction
- Ideal for delicate surfaces, contours, profiles
- Consistent performance during the entire usage time
- Long-lasting quality

Sanding Blocks for Strips

45225015	**ROD-404201**	**Sanding Block for Strips 70 x 198 mm**	1 Piece
45225016	**ROD-404202**	**Sanding Block for Strips 70 x 400 mm**	1 Piece

- Small and long sanding block for strips for hand sanding
- Ergonomic grip for maximum control
- Dust extraction hookup ensures clean working area and longer lifetime of sanding strips

45225052	**ROD-407201**	**Sanding Block for Roses Ø 30 mm Soft**	1 Piece (2 Blocks)
45225908	**ROD-407202**	**Sanding Block for Roses Ø 30 mm Hard**	1 Piece (2 Blocks)

- Hand sanding tool used for self-adhesive premium roses

Mixing & painting

Mix like an expert!

Our Mixing & painting products are selected for the benefit of the painter. The best example is our series of RODIM MPS systems. This 2-in-1-solution turns a mixing cup into an intelligent paint application system that helps you save time and material.

Did you know?

- **2-in-1 solution:** Turn your mixing cup into a paint system by sealing a MPS lid to it and using a RODIM adapter to attach it to your spray gun
- **Easy handling** and **stable paint flow** for ideal results
- **New Mix & Paint System solutions** also available for UV products and smart repairs

Mix & Paint System

	Art. No.	RODIM-Code	Name	Purchase Unit
	45210263	**ROD-501101**	**Mix & Paint System 700 ml 190 µm**	1 Piece (50 MPS)
NEW	45213898	**ROD-501102**	**Mix & Paint System 700 ml 130 µm**	1 Piece (50 MPS)
NEW	45213941	**ROD-501201**	**Mix & Paint System 350 ml 190 µm**	1 Piece (50 MPS)

- 2-in-1 solution
- The quickest paint application system for all types of paints
- Available in different sizes
- Small version of the Mix & Paint System: Excellent use for smart repairs
- Suitable for all sprayguns

NEW	45213942	**ROD-501301**	**Mix & Paint System UV 700 ml 190 µm**	1 Piece (50 MPS)

- 2-in-1-solution
- Black and lightproof
- The quickest paint application system for all types of paint
- Especially developed for UV-coat
- Closures enable an ideal storage of the UV-coat

NEW	45220195	**ROD-502101**	**MPS Lids 700 ml 190 µm**	1 Piece (50 MPS Lids)
NEW	45220196	**ROD-502102**	**MPS Lids 700 ml 130 µm**	1 Piece (50 MPS Lids)

- Spare lids for the Mix & Paint system
- Available in different densities
- Mix & Paint lid with an integrated paint strainer

45210364	**ROD-503101**	**MPS Adapter (Sata)**	1 Piece
45210365	**ROD-503102**	**MPS Adapter (Iwata)**	1 Piece
45213867	**ROD-503103**	**MPS Adapter (IWATA SUPERNOVA)**	1 Piece
45210366	**ROD-503104**	**MPS Adapter (Devilbiss)**	1 Piece

- Easy mounting on the RODIM Mix & Paint System
- 100% leakproof

Mix & Paint System

Black Cup – UV System

Blue Filter – Especially suited for clear coat

Green Filter – For all types of paint

Mini – Smart Repair System

Mixing Cups

Art. No.	RODIM-Code	Name	Purchase Unit
45176625	**ROD-504101**	**Mixing Cups 350 ml**	1 Piece (300 Cups)
45176626	**ROD-504102**	**Mixing Cups 700 ml**	1 Piece (300 Cups)
45176627	**ROD-504103**	**Mixing Cups 1400 ml**	1 Piece (300 Cups)
45176628	**ROD-504104**	**Mixing Cups 2300 ml**	1 Piece (300 Cups)

- Transparent plastic, easy-to-read volume indications
- Anti-static plastic
- Solvent resistant

Mixing Cup Lids

Art. No.	RODIM-Code	Name	Purchase Unit
45176635	**ROD-506101**	**Mixing Cup Lids 350 ml**	1 Piece (100 Lids)
45176636	**ROD-506102**	**Mixing Cup Lids 700 ml**	1 Piece (100 Lids)
45176637	**ROD-506103**	**Mixing Cup Lids 1400 ml**	1 Piece (100 Lids)
45176638	**ROD-506104**	**Mixing Cup Lids 2300 ml**	1 Piece (100 Lids)

- Blue plastic lids in four sizes to fit the mixing cups
- Protection against dust and dirt, permits long-term storage of leftover paint stock

Mixing Cup Dispensers

Art. No.	RODIM-Code	Name	Purchase Unit
45176639	**ROD-505101**	**Mixing Cup Dispenser 350 ml**	1 Piece
45176640	**ROD-505102**	**Mixing Cup Dispenser 700 ml**	1 Piece
45176641	**ROD-505103**	**Mixing Cup Dispenser 1400 ml**	1 Piece
45176642	**ROD-505104**	**Mixing Cup Dispenser 2300 ml**	1 Piece

- Wall mount for storage and easy removal of mixing cups
- Mount made from metal for longer life
- Available in four different sizes corresponding to the mixing cups

Nylon Paint Strainers

Art. No.	RODIM-Code	Name	Purchase Unit
45209785	**ROD-507201**	**Nylon Paint Strainer 125 µm**	1 Piece (125 Strainers)
45176585	**ROD-507202**	**Nylon Paint Strainer 190 µm**	1 Piece (125 Strainers)

- Premium paint strainers available with 125 and 190 µm filtration
- The paint strainers are suitable for use with 2K paints and waterborne basecoats

Nylon Paint Strainers Dispenser

Art. No.	RODIM-Code	Name	Purchase Unit
45176586	**ROD-507101**	**Dispenser for Paint Strainers**	1 Piece

- Wall mount for storage and easy removal of paint strainers

Mixing Sticks

Art. No.	RODIM-Code	Name	Purchase Unit
45210927	**ROD-508101**	**Mixing Sticks**	1 Piece (500 Sticks)

- Fabricated from recycled plastic
- Easy and optimal stirring thanks to the special S-shape
- Dimensions 20 x 2 cm
