

RODIM® Masking Film

MASKING

- **Application:** RODIM® Masking Film is highly flexible, and tear-resistant polyethylene film to protect the vehicle from paint overspray and other containments during repairs
- RODIM® static cling makes the film easy to handle so one person can quickly and efficiently mask the vehicle
- Treated backing to ensure maximum overspray adhesion so ensure paint flecks don't contaminate fresh paint
- Temperature resistance to 140°
- Waterproof and suitable for waterborne paint

Storage Remarks

- Store under normal conditions of 21°C in the original carton
- Storage time is 12 months from delivery date

*Dispenser not included
