MASKING

Specifications

RODIM[®] Lifting Tape is designed for masking jobs on hard to reach places such as corners and edges. Thanks to its fine perforation it can be torn off easily on the right length.

Remarks

- 21 mm x 10 m
- Can be used as 21 mm, but as parts of 11 and 10 mm as well
- Perforated every 4 cm
- Easy to tear at the desired length
- For specific, hard to reach masking jobs
