RODIM Premium Disc 150mm

SANDING

- Designed with optimal aggressive characteristics, RODIM Premium range is the ideal abrasive for achieving fast and efficient stock removal on hard paint films, fillers and composites.
- RODIM Premium range is a fully resin bonded product consisting of a backing of flexible, strong impregnated latex paper coated with a semi-open grain coating.
- RODIM Premium range consists of specially treated aluminium oxide grains in grits P80–P500 and silicon carbide grains in grit 600.
